DETMERS SCORES HIGH BUT FAILS TO WIN IN DERBY

Uplander Returns From East Today — Eliminated in Third Heat at Akron

Smiling Jack Detmers, son of Mr. and Mrs. E. A. Detmers, landed at the Burbank airport at 9:15 this morning, returning from the international soap-box derby held in Akron, O. He finished eighteenth from the top.

Having been eliminated in his third heat by a 12-year-old Boise, Idaho, lad, Detmers felt not the least disccuraged by his defeat. It was a grand experience to participate in the Akron race, and the trip was an education in itself.

HOME TODAY

"Gee, it was great," characteristically remarked young Detmers at his home this noon, a short time after his arrival from Los Angeles. "Even though I didn't win first there, I met a fine bunch of fellows, I was treated just wonderful, and I got a lot out of it."

His father, two sisters, a brother and an admiring cousin, Harvey Stone, were listening intently to every word uttered by Upland's happiest youngster.

"See this," said Jack, proudly displaying a $100 gold wrist watch which was presented to him on his arrival in Akron. In showing the wrist watch he almost tumbled over a bicycle, another prize for winning the southland contest recently.

"I figured it up," continued the tall, blond youth, "that my prizes equal in value that received by the boy who came in second."

In Jack's total of prizes is the round trip airplane flight.

GREETED BY MAYOR

Met at the airport in Akron by no less person than the mayor of the city, Jack found cordial hospitality awaiting him at every turn.

In the try-outs, before the races on Sunday Jack found the course there somewhat disappointing. Made of concrete, with joints punctuated by bumps, the boys who had racers without springs found the going rough. Bouncing cut down the speed and meant that the racers could not follow a direct course.

Winner of the race was a 12-year-old Detroit boy. His prize was payment of four years at college. He chose the University of Michigan.

MOTHER THERE TOO

A total of 100,000 persons witnessed the Akron race. Included in the audience were Jack's mother and other Upland relatives, who made the trip to Akron especially for the occasion.

Jack, whose hobby is making model airplanes and racers, wants to be a designer of airplanes, he says.

Medical Magazine Publishes Article By Dr. A. A. Aita

The current issue of "Journal of Hospitals", published by the American Hospital association, contains an article by Dr. A. A. Aita on "The Problems of Financing a Small Hospital.'

Dr. Aita, who is superintendent of the San Antonio Community hospital, presented the article as a paper at a sectional meeting of the College of Surgeons at a recent meeting in Los Angeles.

The medical journal is read by physicians throughout the world.

Permits for Two New Homes Issued

Building permits for two new $2500 homes were issued within the past few days by the city building department.

A $2500 home at 335 South Secon avenue for Floyd D. Renfro is being built by Wright & Bartlett, contractors.

Second permit was for a $2500 home at 567 North Campus avenue for Homer Greear. C. F. Eppler is the contractor.

Permit for repairs at 1139 East Ninth street amounting to $100 was issued to H. S. Mark.

AVIATION ACTIVITIES---

CADETS GET REDUCED GOLF RATES

Cadets and officers of the Cal-Aero aviation academy have the privilege of playing golf at the Red Hill Country club at reduced rates. Club directors have approved a green fee of 50 cents. For regularly established employes at the flying school on South Euclid avenue, Ontario, the club membership fee has been fixed at $4.40, this being a special reduction for the new residents in the community.

FIRST SOLO FLYING THIS WEEK

First of solo flying by any cadet at the Cal-Aero academy will be some time the latter part of this week. During the first week of instruction, each cadet was given at least 45 minutes daily with an instructor in a plane up in the air. This daily instruction has been increased gradually and when a cadet has had about eight hours of personal attention, he is capable of flying alone, according to the school schedule.

ONTARIO AIRPORT VOTE TO BE SEPT. 24

Four hundred acres of land will be purchased by Ontario as a site for a municipal airport—IF voters approve a $150,000 bond issue Sept. 24. That is the tentative date for the election to determine if two-thirds of Ontario voters favor the city sponsoring development of an aviation center. About $80,000 of the total is to be used for purchase of the site, the remainder to be expended for development of the field.

ANOTHER CAL-AERO CLASS COMES SEPT. 13

Another group of cadets for instruction at the Cal-Aero field is to arrive Sept. 13. Every five weeks thereafter a new class is scheduued to report. Cadets are graduated from the local school after 10 weeks of instruction. As a new class arrives, cadets already on the field are advanced to a higher course of instruction.

MOTHER KILLED; MEXICAN SOUGHT

Car Identified as One Which Hit Mother Found in Pomona

Pascual Otero, 42, 460 East Third, Pomona, is being sought by police throughout the country today, following the discovery of his car, bearing the license number of the vehicle which hit and killed Mrs. Ethel Chastain, 32, 721 Willow street, Ontario, last Saturday evening at A street and Sultana avenue, Ontario.

The car, bearing evidence of the crash, was found in the garage of the Pomona home shortly after noon today by Detective Ralph Nichols of the Pomona police department.

As Mrs. Chastain was carrying an armload of groceries and watching her eight-year-old son, John Oliver, who was crossing the street, she was hit by an old model sedan.

The body was taken to Draper's mortuary, Ontario, and inquest was held this morning at 10 o'clock. She is the wife of John Chastain. Mother of five children, she died in the San Antonio Community hospital a few minutes after the accident.

Jack Craig Signs For Naval Reserve

Jack Craig, son of Dr. and Mrs. John B. Craig, 740 West Arrow highway, received word recently that he has been accepted for four months training in the United States Naval Reserve.

Craig, who has been attending Pomona college, will not return to college until second semester. The boat to which he will be assigned will probably leave the last of September for sea training. It is possible that he will sail from a west coast port, although previous naval reserve training boats have sailed from New York.

Following completion of the course, Craig will receive a commission of ensign.

RED SCALE WORSE ON ORANGE TREES

Heavier Oil Probably Is Needed for Treatment This Year

Because of too great economy in pest control in orange groves during the past year or so, red scale is showing up worse now than last year at the same time, according to Harry V. Cavers, senior agricultural inspector in the Upland office.

On lemon trees, however, Mr. Cavers states that red scale is only normal for this time of year. Some control measures for this pest—both spraying and fumigation—have been used already, says the inspector.

Another treatment of tartar emetic for thrips on lemon groves is necessary in many instances, says the inspector. Tartar emetic is not guaranteed to control thrips for longer than six weeks or two months.

Postmaster Will Register Aliens

ORTON P. BRADY,

Upland postmaster, will begin registering aliens Aug. 27, in accordance with a new federal law. All aliens residing in this district are to report to him.

THREE CAL-AERO FAMILIES ENJOY LIVING IN UPLAND

Interested in becoming a part of the community and appreciative of the advantages of small town life are the three Cal-Aero families who have chosen Upland as their home.

Residing here since August 1 are Lieut. and Mrs. A. R. Strunk and three children, living at 60 West Eighth street, and Sergeant and Mrs. A. L. Dulavitz and two children, living at 335 South Sultana avenue.

THREE CHILDREN

Three brown-eyed children, including a boy, seven; a girl, five, and a baby, three-and-a-half months old, have kept Mrs. Strunk pretty close to home since the family moved here from Glendale. The day The Upland News representative called, however, she had just located domestic help, so the gracious southerner (Mrs. Strunk comes from San Antonio, Texas) hopes to have more time to get acquainted.

"My husband and I both come from small towns, and we appreciate the friendliness that they offer," she said.

Having been stationed at army posts in Texas, Nebraska, Minnesota and Michigan, the Strunk family has known many homes.

"We built our own home in Minnesota, when we thought we were going to live there the rest of our lives, and then as soon as it was finished we were transferred."

MORE FRIENDLY HERE

Mrs. Dulavitz, who also is from San Antonio, Texas, and who speaks with typical Texas drawl, says: "People here seem more friendly than they did in Glendale. When I step outside to hang up the baby's washing, the neighbor's wave. I know we are going to like living here."

Sergeant Dulavitz, of Russian descent, and a native of New York City, is employed in office work at Cal-Aero. He flies frequently, however. The Dulavitz family includes, besides the parents, a seven-year-old daughter and a ten-months-old son, Alexander.

FROM HONDURAS

Newest Cal-Aero family to locate here are Lieut. and Mrs. Ted Smith, who are living at 587 North Ninth avenue.

Mrs. Smith, who grew up in Riverside, and who is a graduate of U. S. C., is a native Southern Californian. Lieut. Smith is a graduate of the University of Washington. Recently, the Smiths came here from Honduras, where Lieut. Smith was engaged in commercial flying for a company by the name of Taca, the biggest air-freight line in the world.

For two years the Smiths lived in San Pedro Sula, Honduras, a tropical city, which is the base for the air-freight line.

Previous to that they spent several years in China, where Lieut. Smith was engaged as flight instructor for the government under Generalissimo Chiang Kai-shek.

Mrs. Smith, who finds foreign experience vastly interesting, spoke highly of the Chinese.

"I knew Madame Chiang Kai-shek," she said, "and she is one of the most charming persons I have met in my whole life. She is the virtual head of aviation in China, you know."

Interested in becoming identified with the community, Mrs. Smith expressed a desire to assist with any volunteer social work which might be possible here. She evidenced special interest in the proposed re-housing program, and in the housing survey which has been conducted here.

Asked if it worried her having a husband who spent most of his time in the air, she replied: "No, not at all. My husband is not happy doing anything but flying, so I just accept it."

Food Demonstration At Lee's Market To Be Held on Saturday

A food demonstration will be held at Lee's market, 191 East Arrow highway on Saturday, Lee Bigley, proprietor, announced today.

A representative will be present with Schillings' products and a limited number of highly prized cook books will also be presented.

PROFESSIONALS TO GIVE GRAPE SHOW

Queen's Contest Planned by Glenn McLaughlin, "Mr. Cucamonga"

Cucamonga's grape festival pageant, climaxing the two-day event on September 7 and 8, will be presented by a group of professional Hollywood players, it was announced today.

The pageant will be the same one presented last year. It was written by Judge James Sharp of Cucamonga. E. Tweed Stone of Upland, who has photographed the early California missions, and whose colored motion pictures have been shown to many West End groups, will assist with the pageant.

The Sunday evening performancec will be presented outdoors, from a specially constructed stage.

With Glen McLaughlin, oil company official, named "Mr. Cucamonga of 1940", plans are progressing for the queen's contest.

Ten acres will be reserved for parking on the new twenty-acre tract, now being prepared for the fiesta. The site is located on the south side of Foothill boulevard, a short distance west of Archibald avenue. Parking space for 2500 cars will be provided.

REGISTRATION OF ALIENS TO START IN UPLAND SOON

Postal Officials Will Get Data Due to New Law Starting Aug. 27

Preparations are being made by Postmaster O. P. Brady, Upland postmaster, for registration of aliens, which will begin on August 27.

According to the law, all aliens of 14 years of age and older are to be registered and finger-printed. Aliens do not necessarily need to go to the post office through which they receive mail to be registered, however.

Registration at all first and second-class post offices and post offices in county seats throughout the nation will continue for four months, the closing date being December 26.

Special provisions will be made for aged or sick aliens who cannot apply in person.

Aliens under 14 years of age may be registered by parents. Finger printing is not required for those of 14 years of age and under.

Third and fourth class offices may be designated if the number of aliens justifies the action.

Doc Bowman Sees Sister for First Time in 45 Years

E. R. ("Doc") Bowman, 507 Second avenue, is wearing a bigger smile than usual this week. His sister, whom he has not seen since she was a tiny baby 45 years ago, arrived from Boston, Mass., last Saturday, and a happy family reunion has been held at the Bowman home.

Sister of Mr. Bowman is Mrs. Robert Laird. Also visiting here are Mr. Laird and a friend, Mrs. Frances Douglass. Another sister, Mrs. J. B. Lund, of Los Angeles was a guest at the Bowman home over the week end. The visitors went to Los Angeles today. In September they will attend an Eastern Star convention in San Francisco.

Mrs. Douglass is past worthy grand matron, O. E. S., of Massachusetts, and is also past president of the Rebekah Assembly, I. O. O. F. Mrs. Laird is past noble grand and past deputy, and also is past grand matron of the Eastern star in Massachusetts, while Mr. Laird is past patron O. E.S., and past commander of the Massachusetts state American Legion.

FOUR INJURED IN CUCAMONGA CRASH

Employes of American Fruit Growers Victims of Sunday Accident

American Fruit Growers, with plant and office at 104 A street, is operating short of two foremen and one grader this week, following an accident Sunday afternoon at 4:40, when the three were painfully but not seriously injured.

George D. Smith, 407 East Ninth street, house foreman, is in the San Antonio Community hospital with a leg broken in two places.

Also injured was Clyde McClure, picking foreman for the American Fruit Growers. Suffering from a wrenched back, McClure, who lives at 137 East Seventh street, was taken home yesterday after spending the night in the hospital.

Other occupants of the car were Mr. and Mrs. Jack Bates, South Fern street, Ontario. Mrs. Bates is sister of Mr. McClure. Mr. and Mrs. Bates also returned home yesterday.

LOSES CONTROL

Mr. McClure, driver of the car, apparently lost control when he drove through a dip on East Eighth street, west of Archibald. The car rolled over three times, and the occupants were thrown out. Highway patrol members were called to investigate the accident.

TWO BURNED

Two other accidents occurred in the West End during the week end. Sunday morning occupants of a car which crashed into a bridge abutment on East A street, Ontario, near Guasti, were burned to death in the flaming wreckage. The victims were identified as Charles Thomas Rumfield, 40, employe of the Collins ranch, near Guasti, and Ewell Lee Yarbrough, 25, 202 Walker avenue, Ontario. The accident occurred at 2:40 a. m. Funeral arrangements for the two have not been made yet. Bodies were removed to the J. B. Draper mortuary.

Unable to escape from the flames, the two men succumbed before the Ontario fire department arrived to extinguish the blaze. There will probably be no inquest.

RECOUNT OF CITY FOR CENSUS TOTAL MAY BE STARTED

County Clerk Allison Asks for Data and Offers To Make Survey

County Clerk Harry Allison today indicated his willingness to make a recount of some of Upland precincts to determine the percentage of population gain since 1930 and compare this percentage with that established by the official 1940 census takers.

Upland's population as listed in the final census report was 355 less than an earlier report. The final figure on the population was 6,217.

Purpose in asking a recount by the county clerk's staff was to determine if an error had been made.

Richard G. Manley, city manager, said that his office would cooperate to the limit with Mr. Allison in determining the correct population total.

Mr. Manley has also received from the census bureau in Washington, D. C., a map of the city outlining the municipal boundaries observed by the census takers in checking the local population.

L. N. Kirk Is Given Distinct Honor by Nation's Poultrymen

L. N. Kirk of Upland was elected president of the judges' section of the American Poultry association at its convention in St. Louis recently and in this capacity he will be in charge of all association's poultry judging on the continent.

Mr. and Mrs. Kirk returned home Saturday morning from a month's trip in the middlewest. He attended the convention and later they went to Mt. Ayr, Iowa, where they visited relatives.

The association has 14,000 members and Mr. Kirk's election to the high position is recognized by poultrymen as a distinct honor.

Data on Army and Navy Available at Chamber Offices

Data of interest to young men thinking of joining the U. S. army or navy or reserves is on file today at the Upland chamber of commerce office.

Information about the various phases of the national defense program has been received at the chamber office and this is available to the general public, according to Mrs. Adelaide H. Plum, assistant secretary.

Road Camp Worker Escapes Saturday

Reported as having escaped from the prison labor camp at Camp Baldy, where workers are employed in road construction, is Henry Zideck, aged 23. The worker is five feet, ten inches tall, and weighs 135 pounds.

His escape was reported at 1 a. m. last Saturday.

NEW DIRECTORS OF CHAMBER NAMED

Visiting Burro Returned After Short Absence

When Mrs. Boris Cherbak, Arrow highway and Central avenue, stepped outside her house yesterday morning, she found a strange burro grazing on her lawn.

At 8:40 a. m. the Upland police were notified of the "guest" at the Cherbak home, and the advice was given to "tie up the burro and keep him there".

Two hours later the Upland police received another call.

"Our burro is lost," Mrs. B. O. Barker informed the Upland police.

"Go and get him," the Upland polict told the inquirer, giving the address.

So the burro is home again, and his young master is rejoicing over his safe return. The burro had traveled from the Barker home, the second house north of Foothill on Padua avenue, to Central and Arrow.

MARGARET LINSLEY FLIES ALONE TODAY

Upland Girl Makes Three Landings — Treats "Gang" of 30

Miss Margaret Linsley, daughter of Mr. and Mrs. C. H. Linsley, 1405 East Ninth street, summer flying student at the Chaffey C. A. A., soloed for the first time this morning and she is still "up in the air", she says, over the exhilerating experience.

After eight hours flying with an instructor beside her, she was permitted to take off by herself this morning. She made three landings. The first one was pronounced "perfect" by the instructor, but the other two were a bit rough.

After the required number of hours of solo work, Miss Linsley will be given instruction in the more advanced phases of flying, and then will be permitted to do more difficult solo flying.

After 35 hours in the air she will receive her private pilot's license.

Miss Linsley, a teacher in the Brawley elementary schools, will return to her work in the valley when school opens in September. She is the second girl in the summer class to solo. Three girls are enrolled.

As is the custom at the Ontario airport, when a flyer returns from her first solo flight, she must "treat the gang"—Miss Linsley gladly bought 30 "cokes" following her last landing today.

Mrs. John Tate of Ontario, wife of the assistant Pacific Electric agent in Upland, is at the San Antonio Community hospital, where she underwent a major operation Sunday. Her condition is reported as satisfactory.

CITY VALUATION GAINS $69,750

New Figure Is $5,307,120—Tax Rate Is Likely to Remain Same

Assessed valuation of Upland is officially reported today as $5,307,120, an increase of $69,750 over the valuation total reported a year ago.

The new assessment figure will be used by the city council as a basis in fixing the tax rate for 1940-41. While the officials anticipated a slight increase in the assessment total, today's figure was reported to be slightly higher than expected.

It is likely, however, that the $1.20 tax rate, tentatively set, will be the final figure fixed by the city council.

SIX OFFICERS TO ASSUME DUTIES AS NEW YEAR NEARS

Names of six new directors of the Upland chamber of commerce were announced today, following the counting of ballots, the voting being by mail. The new directors will assume their duties the last of this month.

The new directors are Allan S. Barr, Harold W. Cook, William Gilliland, Frank Nichols, Gene Nisbet and C. Ernest Olson.

This group plus the hold-over directors will form the board of the civic organization during the coming year. The hold-over directors are Orton P. Brady, Everett W. Henry, C. Frank Joines, Norman S. Lawson, Paul V. Snyder and Warren H. Wass.

Plans are being made for the newly elected directors to assume their duties at a community meeting Aug. 29. At that time, President Fred E. Draper will retire in favor of a new president, to be chosen at the chamber meeting Aug. 21.

Cucamonga Winery Erecting $35,000 Addition to Plant

Large scale plant additions to increase facilities for the handling of this season's grape harvest were underway this week at Padre Vineyard Co., Cucamonga.

The improvements, entailing an expenditure of between $35,000 and $50,000, call for the erection of an additional crusher and must pump, the construction of additional fermenting cooperage, and the installation of a modern cooling system in the fermenting room.

In line with a policy inaugurated in 1939 Padre Vineyard Co. again this year will make every effort to speed payment to the growers for the grapes delivered. This season payment will be made on Tuesday of each week for the grapes delivered by the growers during the previous week.

Jewell Teuscher Is New Bookkeeper at San Antonio Hospital

Jewell Teuscher is today a new member of the office staff at the San Antonio Community hospital, having been employed as bookkeeper. Mrs. Teuscher is a former employe in the city hall, recently resigning the municipal position to join the hospital staff.

The new bookkeeper will succeed Mrs. Helene MacIntyre, who recently resigned, effective Sept. 1. Mrs. MacIntyre was married July 18 to R. Malcolm MacIntyre and she will leave here to join her husband. She has been bookkeeper at the hospital for two years.

Clinic for Pre-School Children Will Be Friday

Pre-school clinic is announced for Friday morning from 9 to 12 a. m., at the Upland Elementary school. Dr. Van Cleave will be present to give immunizations to children who wish it.

Appointments for the clinic may be made with Mrs. Harold Musser, 940 East Arrow, by telephoning theh new Musser number, 317-259.

County Inspectors Plan Park Picnic

All agricultural inspectors of San Bernardino county and their families will meet for a picnic supper at Galvin park, Ontario, tonight, according to Harry V. Cavers, senior inspector of Upland, who is in charge of the event.

Eighteen or 19 inspectors and their families are expected to attend.

Do Your Part to Check Un-American Activities

Patriotic citizens alert to detect any subversive activities can be of tremendous help to law enforcement officers.

A plan of coordinating investigations in this county and throughout the southland was recently perfected. Police Chief E. C. Mehl should be given "tips" from local people. If they prove substantial, all the facilities of the southland law enforcement agencies will be at his call.

While it may be presumed that many of the tips will prove groundless, still some of them are likely to be very important.

Norman Henderson, special investigator for the district attorney's office, revealed to newspapermen of San Bernardino and Riverside counties the other night some of the investigations that are underway due to "tips" from private citizens.

For example, the arrest and conviction of a wealthy German spy followed a tip given police by the proprietor of a Fontana cafe.

Half a dozen organizations were mentioned by Mr. Henderson. The German Bund is probably the most widely known "subversive" organization—yet the others he mentioned were described as being more powerful and more influential than the Bund. Some of these organizations are active in Ontario, Pomona, Fontana, San Bernardino, Yucaipa and other places in the citrus district. Incidentally, Mr. Henderson gave Upland virtually a "clean bill" from the standpoint of being free of subversive organizations.

Mr. Henderson wasn't an alarmist in his presentation. He merely recited incidents and stated what he knew about Japan, Germany and Russia trying to get a foothold along the coast and in Mexico.

The situation is quite critical as he pictured it. To offset a rather dark outlook, however, is the comforting knowledge that the Federal Bureau of Investigation knows much of what is going on and that the leaders of un-American organizations and activities are being closely watched.

The need of whole-hearted cooperation from every true American, however, is very apparent. Do your part. Be alert—and report to your Upland police when there is anything to report.

Your Part in "Sudden Death"

Highway safety is above all else a personal matter. It depends not so much upon machines as upon minds. It centers not so much upon tires as upon thoughts. It thrives on personal care more than on super highways.

Personal responsibility can make highways safe. Highway motor carriers, placing the burden of safe driving squarely upon their drivers, have sharply decreased the accident ratio. By putting it strictly up to the driver, operators have proved that the driver who makes highway safety his personal concern is a safe driver.

What can you do? You can stop thinking of "sudden death" in terms of the other fellow. You can begin making it your personal problem in your daily life. You can put safe driving in the front rack of your mind.

Business Women Meet To Discuss Plans For Programs

Called for the purpose of discussing program activities for the coming year, a meeting of the executive board of the Upland Business and Professional Women's club was held Friday evening at the home of the club president, Mrs. William A. Gilliland, 1058 North Laurel street, Ontario.

Upon request of Mrs. Gilliland, Mrs. Paul Hottel, program coordinator, took charge of the meeting and led the discussion of proposed plans.

It was decided that the club, as in past years, should adopt the theme suggested by the national organization, "Making Democracy Work".

Developing that theme, the various department chairmen will take turn in presenting the programs at the monthly dinner meetings, the specific topics being international relations, public affairs, education, health, etc.

The first club meeting after the summer vacation will be held on the evening of the second Thursday in September and will be a guest night and get-together meeting with Miss Hester MacKay, membership chairman, in charge.

In the October and November meetings the elections, political problems, etc., will be emphasized.

Present for the meeting were Mrs. Paul Hottel, Miss Hester MacKay, Miss Geraldine Riggs, Mrs. W. Merl Rash, Mrs. Marvin Francisco, Miss Lucille Stipe, Mrs. Maud M. Linsley and Mrs. Gilliland.

Few people overtax their intellects in behalf of others.

Family Gathering To Honor Relatives From Cutler

A. B. Ruth and his son Wayne arrived Saturday from their home in Cutler and after remaining over-night with his mother-in-law and sister-in-law, Mrs. Mary Wilson and Mrs. Isabelle Wisely, 995 Washington boulevard, Mr. Ruth went on to San Diego to attend the American Legion state convention. Wayne remained here with his grandmother and aunt. After the convention Mr. Ruth will go to Hollywood to visit his brother, returning to Upland Friday.

On Saturday a family gathering will be held in honor of Mr. Ruth and his son at the home of Mrs. Wisely's son-in-law and daughter, Mr. and Mrs. Roy Taunton in San Bernardino. In the late afternoon a picnic dinner will be held at the Perris Hill park north of the city.

Those planning to attend are Mr. Ruth and Wayne; Mrs. Mary Wilson, Mrs. Isabelle Wisely and Miss Vesta Wisely and Miss Elizabeth Ruth, of Upland; Mr. and Mrs. Roy Wisely and son Alden, of Bear canyon; an elder son, Jack Wisely, now employed at the Douglas Aircraft Corp. plant at Santa Monica; a son-in-law and daughter, Mr. and Mrs. Clarence Stewart (Marie Wisely) of Pomona, and Mr. and Mrs. Taunton and children, Janice and Bobby.

There are still those who say that it is better to have loved and paid the cost than never to have loved at all.

If a man never has anyone to tell him what he would do if he were in his place, that man is friendless.

Notes of Society

Dr. and Mrs. Stone Honored Guests At Reception

Honoring Dr. R. C. Stone, former pastor of the church, and Mrs. Stone, who are visiting here from their home in Eureka, approximately 80 members of the Upland Presbyterian church and other friends gathered in the church social hall Saturday evening for a delightful reception.

This is the first time Dr. and Mrs. Stone have returned to Upland since leaving 18 months ago for Eureka, where Dr. Stone is pastor of the Presbyterian church, and their friends were happy to have the pleasure of greeting them again.

The large hall was beautifully decorated for the occasion, colorful summer flowers being used.

Gracing the tea table, at which Mrs. J. Emery Sargent and Mrs. Ray C. Norton presided, was a centerpiece of pink gladioli and blue delphinium, the decorative arrangement being completed with tall lavender candles.

The general committee in charge included Mrs. H. M. Guy, chairman; Mrs. H. S. Bailey and Mrs. Arthur Bridge, and the reception committee included the Rev. and Mrs. Rex E. Lawhead, Mr. and Mrs. Ernest W. Fischer, Mr. and Mrs. Herbert S. Bailey, Mr. and Mrs. T. M. Nichols, Mr. and Mrs. Frank G. Sprake, Mr. and Mrs. A. C. Beattie and Mr. and Mrs. J. Emery Sargent.

In a short talk the Rev. Mr. Lawhead extended greetings to the honored guests and both Dr. and Mrs. Stone made response.

Adding much to the pleasure of the evening were several vocal selections, Miss Peggy Grahame singing "When I Have Sung My Songs" and "Smiling Through", and Roger Moore singing "Duna" and "Without a Song". They were accompanied at the piano by Mrs. Earl H. Johnson.

Dr. and Mrs. Stone plan to leave Thursday morning for Eureka. They are visiting with their son and daughter-in-law, Mr. and Mrs. Ernest Tweed Stone, and their younger son, Robert S. Stone, who has come in from Twenty-nine Palms to be with his parents.

Naval Lieutenant and Family Guests in Durham Home

Mr. and Mrs. Leon Durham, 1124 North Euclid avenue, had the pleasure of entertaining at dinner Saturday for Mr. Durham's cousin, Lieut. John Raymond Moore of the U. S. navy, Mrs. Moore and their daughter, Laura Ann, and Mr. Moore's sister, Miss Jessie Moore, who had been a house guest in the Durham home for some time.

Lieut. Moore, until recently stationed with the navy on the Atlantic coast, has been transferred to the Pacific fleet and took advantage of the first opportunity to visit with his relatives here and to greet his sister.

Miss Moore left Sunday for her home in Sharon, Tenn.

Silver Link Rebekah Lodge in Session

With Mrs. Mabel Walker, noble grand, presiding, the regular meeting of Silver Link Rebekah lodge was held Friday evening in the I. O. O. F. hall.

Following the routine business session, a social hour was enjoyed, with Mrs. Walker providing a pleasant birthday surprise honoring Mrs. A. H. Stull, the only member present having a birthday anniversary in August. A large birthday cake was served as a part of the refreshments.

Miss Opal Lackey and John H. Smithson Exchange Vows

A nuptial event in which many friends of the participants are interested is the marriage of Miss Opal Elizabeth Lackey, daughter of Mr. and Mrs. S. A. Lackey, 382 North Laurel avenue, Upland, and John H. Smithson, son of Mr. and Mrs. E. H. Smithson, 563 West Grove street, Ontario.

The wedding occurred at 3 o'clock Sunday afternoon at the home of the bride's brother and sister-in-law, Mr. and Mrs. Travis T. Lackey, 337 West H street, Ontario, with the marriage ceremony being performed by the Rev. Paul V. Goodwin, pastor of the First Baptist church in Ontario.

The home was beautifully decorated for the occasion, white gladioli and asters being used in an effective arrangement that was completed with candelabra bearing white candles.

The ceremony was performed before a white floral altar, the single ring service being used.

The bride was lovely in a smart redingote suit of blue crepe, with black accessories and she carried a white lace handkerchief, given to her by her mother. Her corsage was formed of gardenias.

Attending as bridesmaid was Miss Anna Mae Wymore of Ontario, who wore a dress of rose crepe, with corsage of white carnations.

Accompanying the bridegroom as best man was James Larkin of Upland.

Mrs. S. A. Lackey, mother of the bride, wore blue flowered sheer, while Mrs. Smithson, mother of the bridegroom, was attired in navy blue and white crepe. Each wore a corsage of pink carnations.

Following the ceremony a reception was held for the 45 guests in attendance and a handsomely decorated wedding cake, baked by the bride's brother, was served as a part of the refreshments. The smartly appointed table from which the collation was served was graced with white carnations and tall white candles.

The bride is a graduate of chaffey high school and junior college and is employed at the Community bakery in Ontario, operated by her brother.

Mr. Smithson, also a graduate of Chaffey high school, is employed at Cook's dairy in Ontario.

Mr. and Mrs. Smithson, who have many friends throughout the West End, will reside at 420-B, East G street, Ontario.

Misses McGilvra and Hart Return From Eastern Trip

Miss Sinabel Hart, 775 North First avenue, and Miss Mary McGilvra, 253 West San Bernardino road, Cuiamonga, returned Sunday night from visits with relatives in the south.

Traveling east together as far as Kaansas City, they separated there, Miss Hart going to Tennessee and Miss McGilvra turning south to Mississippi. She spent the summer with relatives in Brandon, which is only a few miles from Jackson, the capital of the state.

Miss Hart visited with relatives in and around Nashville, Tenn., and in Petersburg. Many pleasure trips were enjoyed, one being made to the big Norris dam, a part of the TVA project, the group continuing on into Smoky mountains, near the North Carolina line, where they enjoyed camping for a short time.

Meeting in St. Louis, Miss McGilvra and Miss Hart returned home together, coming by way of the San Francisco fair.

They are teachers at the Sierra Vista school and came home to prepare for the opening of school next month.

Garden Luncheon Held At Ranch Home by Church Guild

Enlarging their monthly business session into one of the most delightful social events of the summer, members of the Woman's Guild of the Cucamonga Methodist Community church entertained their families at a garden luncheon held at the attractive ranch home of Mr. and Mrs. John G. Stoebe on Hermosa avenue, Alta Loma.

The buffet luncheon was served in the tree-and-flower-bordered garden and was followed by a miscellaneous gift shower held as a post-nuptial courtesy for the recent bride, Mrs. Frank Van Fleet (Helen Hawker), who is active in the work of the church.

Mrs. A. R. Holt, president, presided during the Guild meeting and Mrs. Leslie L. Foster led the devotional service. The church pastor, the Rev. Albert A. Burge, made an inspiring address on "The Christian Home", stressing the alarming situation concerning the status of home life in warring Europe and giving emphasis to the importance of Christian homes in a democracy. Mrs. Burge concluded the program with a humorous reading, "How to Manage a Husband".

Concerning the reorganization of the church work in compliance with the plans of the General Conference, the Guild decided to take action on the matter at the September meeting to be held at the home of Mrs. W. G. Lewis in Upland.

Monthly reports were made by the various committee chairmen and the ways and means committee, Mrs. Ray R. Ford, Mrs. James Whitson, and Mrs. W. G. Lewis told of plans for a benefit ice cream social to be held at the Stoebe home during the latter part of this month.

The Guild welcomed as a new member Mrs. J. D. Copeland of Alta Loma, who recently arrived from Kansas.

Present for the luncheon and meeting were Mr. and Mrs. A. R. Holt, the Rev. and Mrs. A. A. Burge, Mr. and Mrs. Frank Van Fleet, Mr. and Mrs. Arthur Stoebe, the latter of Ontario; Mr. and Mrs. James Whitson, Mrs. Rose Hawker, Mrs. Charles Beckley, Mrs. R. C. Wainright, Mrs. E. S. Bishop, Mrs. Frankie Larson, Mrs. Mary Minor, Mrs. W. G. Lewis, Mrs. J. D. Copeland, Mrs. Leslie Foster, Mrs. Geo. A. Klusman, Mrs. Lewis Gilbert and son Ronald, Mrs. Arvid Lewis and Jerry and Jean, Miss Barbara Naillon, Miss Alice Hawker, Miss Katherine Van Osdel, the latter of Berkeley; Charles Minor, Geo. E. Keyes, A. J. Hall, J. C. Powelson and Mr. and Mrs. John G. Stoebe.

Miss Clark Becomes Lovely Bride of Roger Mason

In the presence of approximately 100 guests, Miss Cleo Amanda Clark, daughter of Mr. and Mrs. J. Thomas Clark, 1790 North San Antonio avenue, Pomona, and Roger Erwin Mason, son of William R. Mason of 1302 North Euclid avenue, Upland, were united in marriage Saturday afternoon, the wedding occurring at 4 o'clock in the Upland Presbyterian church.

For the nuptial occasion the church sanctuary was beautifully decorated with an arrangement of white gladioli and white dahlias placed against a background of potted plants. White candles in tall candelabra softly lighted the scene.

Pre-ceremony music was provided by the church choir, Mrs. Earl H. Johnson director and organ accompanist, and John Jaqua, soloist, of Claremont. The choir sang "O Promise Me" (D'Koven) and Mr. Jaqua's selection was "Calm as the Night" (Goetze). As the ceremony concluded, the choir sang the Dresden Amen. Both the bride and the bridegroom are popular members of the choir.

Mrs. Johnson also played the traditional marches, Wagner's "Bridal Chorus" from "Lohengrin" and Mendelssohn's "Wedding March".

Accompanied by her father, who gave her in marriage, the bride was lovely in a gown of white satin, fashioned with long train, the costume being completed with a full length tulle veil attached to a headdress of lace. Her shower bouquet was former of white orchids and sweet peas. Her only jewelry was a diamond set locket.

Serving as maid of honor was the bride's sister, Miss Wilma Clark, who wore a gown of blue organza over taffeta and carried sweet peas and daisies.

Bridesmaids were Miss Opal Baker of Pomona, dressed in pink organza over taffeta, and Miss Betty Ingrams of Los Angeles, wearing green organza over taffeta. Each carried an arm bouquet of sweet peas and carnations.

Attending the bridegroom as best man was his brother, John Mason of Ontario, and the ushers were Philip Juergens of Los Angeles, brother-in-law of the bridegroom, and Robert Sherwood of Upland.

The single ring marriage ceremony was performed by the Rev. Rex E. Lawhead, pastor of the church.

Following the ceremony a reception was held in the church social hall, which had been beautifully decorated by the church choir members, floral lattice work, other flowers and plants being used.

Receiving the guests were the bride's mother, Mrs. Clark, wearing a gown of dusty rose shadow sheer over taffeta, and the bridegroom's grandmother, Mrs. Minnie Barclay of Los Angeles, who was attired in a gown of brown flowered silk. Each wore a corsage of gardenias.

The smartly appointed table from which refreshments were served was centered with a handsomely decorated wedding cake.

Mr. and Mrs. Mason left immediately for a motor trip to Yosemite national park, the bride wearing a dress of wine-colored wool sheer with velvet coat in the same color and black accessories.

Both Mr. and Mrs. Mason are graduates of Chaffey high school and junior college. She is employed in the office of the Exchange Orange Products Co. in Ontario and he is a member of the staff in the First National bank in Upland.

Mr. and Mrs. Mason will reside in their recently completed home at 268 Euclid place, Upland.

Eastern Star Honors Past Matrons and Past Patrons

Past matrons and past patrons of Upland chapter, Order of Eastern Star, were extended special courtesies during the chapter meeting held last evening in the Masonic lodge hall, when they were called upon to fill all stations. Approximately 80 members and guests were in attendance.

Mrs. Thos. H. Settle, acting worthy matron, and Chas. O. Deverts, acting worthy patron, both having served in 1933, had the honor of opening the chapter with the escort work.

Distinguished guests in attendance were Mrs. Bessie Belsley of Claremont, deputy grand matron of the Sixty-second district; Mrs. Benjamin F. Warmer of Ontario, past grand matron of the state of California; Mrs. Frances Douglass, past grand matron of the state of Massachusetts, a guest of Mr. and Mrs. E. R. Bowman, and Mrs. Margaret Laird, past grand marshal and past grand Martha of Massachusetts, a sister of E. R. Bowman and also a house guest in the Bowman home.

Other special guests were 1933 matrons of chapters in the district, including Mrs. Dorothy French of Euclid chapter in Ontario, Mrs. Lena Sichley of Orange Blossom chapter in Fontana, and Mrs. Ella Marr Nelson of Star of the West chapter in Pomona; also Ralph Emery, worthy patron of the Colton chapter in 1933.

Mrs. Arthur Relph, worthy matron, and John Scott, worthy patron, presided during the business session.

At the conclusion of the meeting a delightful program was presented. Miss Martha Peters of Ontario played two French horn selections, "Romance" by Saint-Sadns and "A Wee Bit o' Heart", a Scotch folk song. Miss Peters also gave a brief history of the horn, going far back to the time of its origination.

Miss Peggy Grahame pleased her audience with two vocal selections "Little Grey Home in the West" (Lohr) and "Smilin' Through" (Penn).

The group then adjourned to the dining hall, where Mrs. Relph and her able committee served refreshments. Pink was the predominating color in the decorative motif. Favors were pink flowers with green candy centers. A merry social hour concluded the successful meeting.

MANY HANDS BUSY IN WAR RELIEF AID

Red Cross Workers Include Many Persons Who Knit, Make Garments

During the past several months, beginning long before money contributions were called for by the Red Cross to finance its war refugee relief work, many women in Upland, Alta Loma and Cucamonga—and one man—have been devoting long hours to sewing and knitting garments handled through the Upland Red Cross chapter.

Scores of sweaters were knitted and many dozens of complete layettes and women's and children's dresses were made, all being sent to the war refugees.

The making of these hundreds of garments entailed long hours of work and Mrs. Harry W. Flowers, production chairman for the Upland chapter and herself an indefatigable knitter, and Mrs. Mary Eckerman, the hard working chairman of the local chapter, have frequently expressed their deep appreciation for the fine cooperation given by those who have made it possible to ship out the completed quota of garments on time.

Those assisting with the knitting and sewing since the first of the year—and they also have made their cash contributions—are:

KELLY SEAY WILL BATTLE TONIGHT

Chaffey Athlete Returns to Ontario Mitt Arena to Face Mosley

Kelly Seay, Chaffey junior college's 200-pound fullback, who has been taking a rest from the ring wars in recent weeks, returns to action at Ontario Legion stadium tonight, when he fights Bud Mosley, rugged L. A. heavyweight, in the feature main event.

Mosley is a tough customer with a punch like the kick of a government mule, but Seay is reported looking much improved in recent workouts and has been training hard for the bout. With Seay packing a knockout wallop and Mosley's right one of the most celebrated offensive weapons among southland amateur heavyweights, it looks as if Tuesday night's main event would be a slugging match from beginning to end.

Chuck Railey, Riverside's dynamo, who fought his greatest scrap in decisioning Gil Lopez in last week's slam-bang main event, and Jackie Taylor, classy boxer from Jeffries' Barn, are carded in the second half of double main.

Date for Meeting Of Willkie Club To Be Announced

Members and other persons interested in the recently organized West End Willkie club are requested to watch the newspapers for announcement of the next meeting of the club, it was announced today by Dr . Lilian F. Baxter.

Until the announcement is made, probably within the next two weeks, there will be no meeting of the club.

$90,736 Returned To County by State In Gas Tax Funds

State Controller Harry B. Riley today announced the apportionment of $90,736.88 in gasoline tax funds to San Bernardino county. The apportionment, largest fourth quarter distribution of motor vehicle fuel funds, was made on the basis of a total registration of 65,275 registered motor vehicles in this county.

Cucamonga Man Escapes Death

Although a 50-ton truck passed over his right shoulder and chest last Saturday, Frank DeAmbrogio, 29, Cucamonga trucking contractor, is not seriously injured.

At first it was feared that his chest was crushed but preliminary examinations failed to show any broken bones. He was taken to the San Antonio Community hospital, but left the institution today.

DeAmbrogio, after jacking up one wheel and starting the engine, crawled under the truck and was lying on his back attempting to make some adjustment, when the truck slipped from the jack. Accident occurred near the injured man's home on Eighth street.

Don't think that because a man loses his head he quits talking through his hat.

EYE OPENERS—by Bob Crosby

One census taker in Los Angeles was hit over the head with a milk bottle, but another, Albion E. Nelson, was much more fortunate the following day. A rich woman insisted that he accept as a gift, her "old" car—a 1934 limousine.

It was in 1922 that two Swedish college students, Baltzar von Platen and Carl G. Munters, working on their theses, applied the simple theory of the coffee percolator to invent an automatic refrigerator with no moving parts. Just as heat lifts the liquid in the coffee percolator, a small gas flame circulates a harmless refrigerant, thus producing constant cold.

VOTERS LEAGUE SAYS

ASSEMBLYMAN

By a League Member

Many of us do not realize what we ask of any man or woman who undertakes to run for assemblyman or senator in our state legislature.

Here is a job which requires that its holder leave his business and his home for irregular and considerable periods of time. He must also undergo the strain, expense and loss of time required to conduct a political campaign. He must accept the fact that unjust accusations may be made against him or that his motives may be misunderstood and misjudged.

California has 80 assemblymen, selected for two-year terms, from districts established on a population basis. Their salary is $1200 per year, payable at $12 a day for 100 days during a legislative year and $100 a month during a non-legislative year.

Criticism of the present set-up has been made, on the grounds that legislators are not well enough paid nor well enough trained to do a really intelligent job of law-making; also that the problems of state are becoming too complicated and the magnitude of the legislators' task too great for the present structure.

The League of Women Voters, as part of its study program, is considering the various proposals for change which are being suggested. Some of these are proposed changes in the nature of the sessions; proposals for a fact-finding body for the legislature, and proposals for a unicameral legislature. The League has not yet taken a position on any of these proposals.

Propaganda Power Subject at Rotary Club Meet Today

People change their minds because of the effectiveness of well planned propaganda and for other reasons.

Prof. Arthur Corey, Santa Ana, personnel director of the State Teachers association, discussed the influence of propaganda at the meeting of the Upland Rotary club at noon today.

Well directed and well prepared propaganda has a powerful influence on people and their decisions, the interesting speaker declared.

E. Tweed Stone was program chairman, with Dr. Ralph D. Ryan, president, presiding.

PUBLIC ASKED TO PRAY FOR BRITAIN

Service of Intercession Will Be Held at St. Mark's Wednesday Night

Persons with relatives and friends in the British Isles, as well as all people concerned with the issues of the present war, are invited to attend a service of intercession for the British Empire, Wednesday at 7:30 p. m. at St. Mark's Episcopal church, according to an announcement by the Rev. George West Barrett, rector.

This service in one of many of a similar kind that have been and are being held in this country. It will also serve as a substitute for the mid-week union prayer services at the Upland Presbyterian and Methodist churches.

Hymns will be played on the tower chimes at 7:15 by Mrs. George Gregg, church organist.

Temperance Union Plans Meeting at Church on Friday

Monthly meeting of the Upland Woman's Christian Temperance Union will be held Friday in the parlor of the First Methodist church, it is announced by Mrs. Ralph H. Marr, president.

The morning session will open at 10:30 and will be devoted to business matters. A contributed dish luncheon will be served at the noon hour.

A program is being arranged for the afternoon session.

Employes of Phone Company Will Aid In Defense Program

Local employes and others of the Associated Telephone Co. have been asked to be on the alert to give all possible protection to the company's buildings and services.

C. F. Mason, president of the company, in his letter to the employes, stated: "In preparing to do our part in the extensive plans for the defense of our nation certain considerations must be met at this time. The protection of our plant and facilities against interruptions of service to vital military and industrial establishments is of prime importance."

SHEPPARD PLEDGES DEFENSE SUPPORT

Congressman Favors Conscription—Greeted by Many In Week End Event

Uplanders were present to greet Congressman Harry R. Sheppard in a homecoming program in San Bernardino Saturday night and also for a breakfast honoring the official in Lake Norconian club Sunday morning.

In an address Saturday night, Mr. Sheppard expressed himself strongly in favor of military conscription.

Pledging enactment of legislation that will provide for an army capable of defeating "any army from any land", Mr. Sheppard denounced Americans who oppose the draft, yet demand the immediate building of tanks, airplanes and naval craft in the gigantic rearmament program.

"Without men, airplanes, tanks and battleships, a defense program cannot be put into use", Mr. Sheppard declared. "Adequate man power can be secured only through conscription.

"It is our duty to have our manpower efficient and trained. The nation, rushing a rearmament program at the greatest peace-time cost in history, must man its machinery of defense with adequate forces.

"It appears to me," Mr. Sheppard asserted, "that either the crisis is real or it isn't real, either we are in danger or we are not. I pledge to you to do everything in my power to enact legislation that will permit the immediate beginning of a program to build an army, navy and air force far beyond anything we have ever seen in this country."
